NCMA members **are called** to the field of Christian ministry and mission in higher education; **are convinced** of the importance of the service of the church in higher education and of higher education to the church; and **are confident** that together we may minister more adequately to those whom we are called to serve.

Founded in 1964 by campus ministry professionals of several denominations in the United States, the ***National Campus Ministry Association*** offers an ecumenical focus to a long tradition of Christian ministry in higher education.

With other people of faith, ***NCMA*** is committed to working together to create a world that is open, reconciling and affirming. We celebrate our diversities and welcome members without regard to race, gender, nationality, age, marital status, sexual orientation, physical or mental abilities or economic means.

With over four decades of advocacy, collegiality and commitment to ministry in higher education, ***NCMA*** seeks to offer avenues for personal and professional growth to those who are engaged in campus ministry, full or part-time, clergy or laity.

Important note: Membership dues are for the January to December calendar year and can be paid in January of each year. Many ministries provide professional association dues in their local budgets. Partial scholarships are also available through the NCMA Scholarship Committee.
